

## Your Opportunity to Buy Writing Paper

Pound papers are always the more economical in buying stationery—and because we give you sixteen ounces of writing paper—about 90 sheets—in each pound, ours is the more economical to buy.

### Lord Baltimore Writing Paper

Is a grade for which you may ordinarily pay as much as 35c. but is a paper we specially feature at 25c per pound. Deep point ply envelopes to match, 50 in a carton, cost you 25c.

### An Exceptional Value

During this month we are making a special feature of this stationery, offering one pound of the paper and fifty of the envelopes, a combination for which we ordinarily ask 50c.

### The Two—Special for 39c.

Don't wait until you need writing paper—buy it while you can get it at this price.

Lord Baltimore Writing Paper is sold only at the REXALL Store.
